- Enhance home movies

The Ultimate Enhancement Pack for

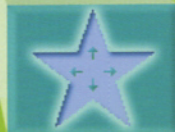

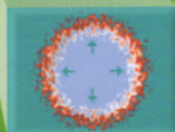

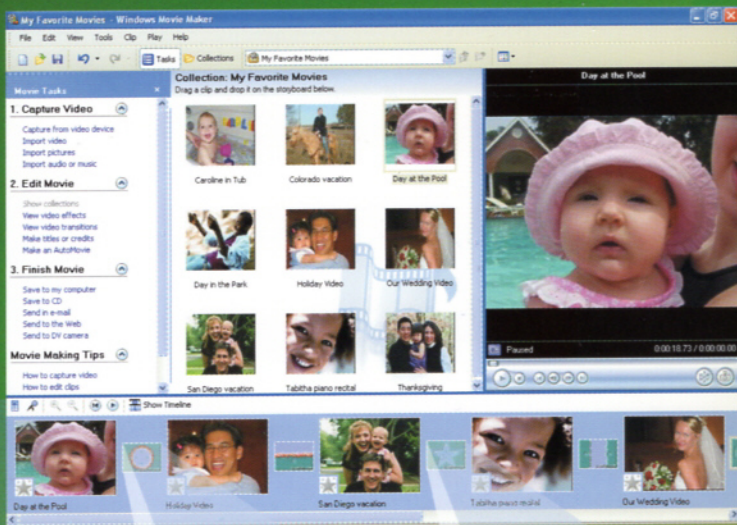

Experience more. Plus! SuperPack for Windows XP.

Personalize Windows XP and enjoy digital photos, music, and movies like never before.

Lights, Camera . . . Action!

- Discover the movie director inside of you. Create, edit, and share your home movies with more pizzazz using 50 transitions and effects for Windows Movie Maker 2*
*Available from Windows Update as part of Windows XP SP2
- Easily share your movies with friends and family via e-mail, CD, the Web, DV tape, or DVD (using third-party DVD-burning software).

Dazzle your friends and family with cool transitions!

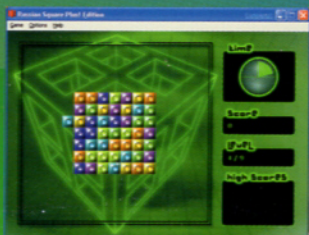

Do more with digital music.

- Easily create CD/DVD labels and inserts.
- Personalize Windows Media® Player* with more than 10 colorful skins.
- Transform your desktop into a dance floor. Choose from over 20 lifelike dancers that groove to the beat of your tunes.
- Turn your PC into the ultimate party jukebox while restricting guest access to personal information.
- Breathe new life into your vinyl records and tapes! Copy them onto your PC with ease while removing hisses and pops.

*Windows Media Player 10 available from Windows Update.

Take a break with exciting games!

- Bowl in 3-D through the streets of ancient Rome.
- Enjoy the classic tabletop labyrinth game with vibrant sounds and 3-D visuals.
- Challenge yourself with an intense puzzle game for fans of Tetris.

Create amazing photo slideshows in a snap!

- Use Plus! Photo Story 2 to create exciting photo slideshows with music and narration.
- Instantly add automatic panning and zooming effects.
- Share your precious moments with friends and family via e-mail, the Web, CDs, or Video CDs that play on most home DVD players.

Enjoy stunning screensavers and themes.

- Choose from eight exciting screensavers and four engaging themes to personalize your desktop.
- Experience a lifelike marine aquarium with exotic 3-D fish, take a ride into outer space, or showcase your favorite photos in animated 3-D photo albums.

Microsoft® Plus! SuperPack lets you enjoy stunning screensavers and themes, play exciting games, and do more with photos, music, and home movies. Designed specifically for Windows® XP, Plus! takes your Windows experience to the next level.

Easily create amazing slideshows with your digital photos.

- Instantly add your own narration, music, and effects—now every picture tells a story!
- Share via e-mail, the Web, or on Video CDs that play back in most home DVD players.

Personalize your PC with screensavers and themes.

- Enjoy eight astounding screensavers—a lifelike marine aquarium, space scenes, and more.
- Enhance your desktop with four unique themes that include images, mouse pointers, and sounds.

Take a break with fun and exciting games.

- Enjoy 3-D games with vibrant sounds and visuals.
- Get a new spin on bowling, navigate challenging 3-D mazes, or test your puzzle-solving skills.

Take your digital music to the max.

- Easily create CD/DVD labels and inserts.
- Enjoy colorful skins, party mode, and desktop dancers for Windows Media® Player.
- Copy your vinyl record collection and cassettes onto your PC. And more!

Turn your home movies into a Hollywood production.

- Make your movies even more impressive with 50 video effects and transitions for Windows Movie Maker 2.*

*Available from Windows Update as part of Windows XP SP2

Microsoft Plus! SuperPack combines *Plus! for Windows XP* and *Plus! Digital Media Edition* into a single SuperPack.

Rebate for Past Microsoft Plus! Users: Includes \$10(U.S.)/\$15(CDN) mail-in rebate for licensed users of Microsoft Plus! for Windows XP or Microsoft Plus! Digital Media Edition (see side of box for offer details).
